- **Print out the Registration Form, SCAN and EMAIL to boxoffice@theparamount.net.**

Orders for all performances may be submitted at any time throughout the season beginning **Monday, August 22, 2016**. Because some performances sell out quickly, early registration is strongly encouraged. You will be notified of your registration status by e-mail within 2 weeks upon receipt of your registration form.

3. Payment in full is encouraged with your reservation. If this is not possible, payment may be made any time up to the due date. See performance listings on pages 2-3 for due dates. **Please write performance title/date and your confirmation order # (if you have one) on all checks submitted for payment.** Space in shows may still be available after the due date. Please call for details.

4. A maximum of 1 adult for 10 students and a minimum of 1 adult for 20 students is required. Home school families may have 1 adult per household in attendance. If your group requires additional supervision, please note in Special Needs section.

5. Arts Education Performances are for children age 4 and above. We request that you do not bring children under 4 years old.

6. If gaining new students in your class/grade is a possibility, please consider slightly overestimating your numbers. It is always easier to reduce the number of tickets than add!

7. Many Arts Education Performances sell out. To accommodate as many school groups as possible, **please list the performances in order of your preference.** If you select a 10:30AM performance, please indicate if you would be able to attend a 12:30 performance as a second option.
